One person has been the guiding hand which steered this class through its four successful years. One person has planned, encouraged, aided and tolerated when necessary. One person has earned our love, respect and praise for all of his efforts in our behalf. That one person is our class sponsor, Mr. Samuel Perone. He (with his wife) is responsible for the wholesome reputation of the class of '78, and to him we leave our sincere thanks and best wishes for a healthy, happy and successful life.

As we enter into the future,
Most of us on our own,
We can never forget the years behind
And all the things that we have learned.
Besides our parents and our friends,
Our teachers have been with us to the end.
The only way to express our gratitude
Is to say thank you for all that you have done,
And on our graduation day,
We'll realize that "we've only just begun".

During our Freshman year we had a magazine drive. This gave our treasury a good start, and was the beginning of a class spirit which was to serve us for four years. The Sophomore year found us adding to our treasury with two school dances (they were financially successful and contributed to a growing school spirit) and a fund raiser which included a variety of items for sale. As Juniors we operated the pretzel booth from February through June, selling hot pretzels during the lunch periods; we had a very successful candy sale; and the crowning event of the year was the Junior-Senior Prom with its theme of "Evergreen" and at which Janet Crescenzo was crowned prom queen. We arrived at our Senior year with happiness and anxiety filling our hearts. We again operated the pretzel booth from September through January. The Senior trip to Mount Airy Lodge in the Poconos, February 1,2,3, 1978, was the highlight of the year-three glorious days and two nights in a dream world of snow and fun times. Also, the Senior Picnic in June was packed with pleasure and good food. The class of '78 will be remembered as one of the most "together" classes in school history, a class filled with "that old Warrior spirit".
Scholastic standouts in our class are: Ed Fletcher, Eric Ewell, James Gurenlian, Paul De Stefano, Mike Pergola, Ken Van Dewater, Bryan Peters, Jim Corrigan, Richard Wood, Paul Daiber.

Senior Athletic Standouts: Soccer: Dennis McGovern, Chris Scott, Joe Piduch, John Costa. Cross Country: Ed Fletcher. Basketball: Guy Stefencavage, Tony Ellison, Mark Lonabaugh. Swimming: Rich Pritchard, Mickey Barber, Mike Campbell. Wrestling: John Morgan, Jim Kerins. Baseball: Bob Riding, Chris Scott, Dave Gesswein, Mike Zuchowski. Softball: Jill Cross. Track: Dennis McGovern, Ed Fletcher. Golf: John Bond. Tennis: Mike Pergola, Wayne Egolf. Bowling: Diane Swartz, John Calhoun, Tom Parker.

What we do with our lives changes the world, and it's only in the heart of our lives that we can find the secret of death. For death is a part of life. It's in the silent depths of our hopes and desires that we know what's beyond death.

We're grateful to them for helping us dream, for working so hard to make it come true. We thank them for loving us, and allowing us to love them. Thanks for a soft voice, a loud laugh, and a beaming smile. Even in death they give us life.

But to reflect on their deaths is to reflect on the real meaning of the term "Life-giving". They gave us life with their every breath; as their memory, their words, and their deeds still give us life today.

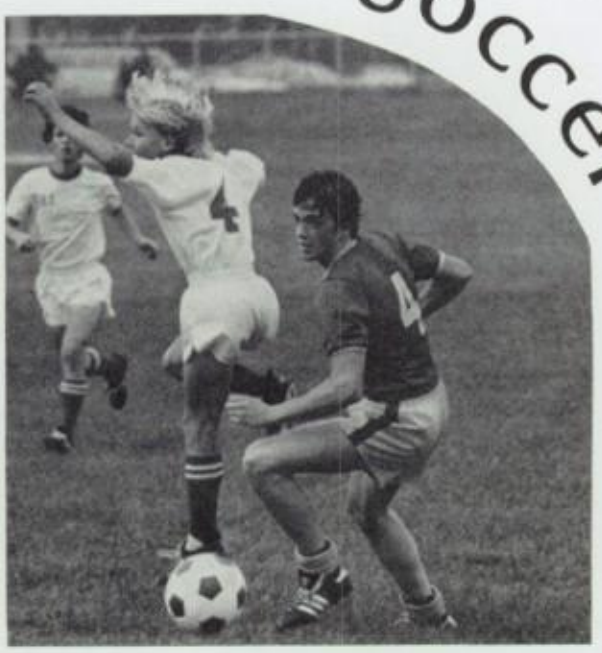
Warriors Soccer



The Warriors soccer team this year played nine of South Jersey's top twenty teams. Although they had only six wins, the season had outstanding moments. Individual play was over-shadowed by team play. Co-captains D. McGovern headed the offense while C. Scott led the defense. Other seniors who had outstanding seasons were: goalie J. Bond, G. Brandt and N. Dunn who played defense. Center Half J. Costa controlled mid field while strikers G. Stefencavage, M. Pergola, and T. Gallagher led the scoring punch. Coach Adamson did an outstanding job promoting total team effort by playing his entire team. Experienced players, such as leading scorers R. Scott and J. Coyle, will be back next year along with J. Strojan, B. Dickinson, J. Hennessey, and D. Springle.

The Warrior's cross country team was out of competition this year due to a lack of experience and injuries. The most memorable event of the season was defeating the Pennsauken tradesmen twice. Individually the members were fabulous by hustling and putting out all they had. This resulted in the runners breaking their own times each meet. Outstanding members were E. Fletcher, C. Battilana, M. Campbell, and Dan Yowell.

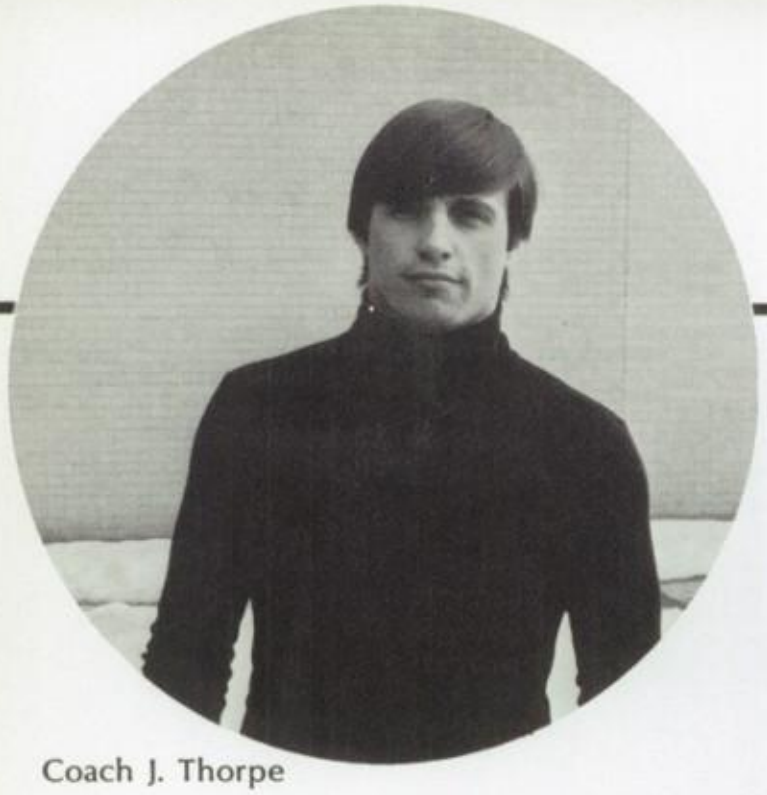
Wrestling Boasts



Coach J. Thorpe

Although the warriors did not have an extremely successful team record, they did prove to have some outstanding individual talent. Leading the warrior wrestling team were: co-captains Herb Wood and John Morgan. Herb wrestled 170 this year and boasted an extremely fine 18-4-0 record. He is a Junior and expected to be an outstanding wrestler for the Warriors next year. John, a senior, wrestled 115 and finished the season with a 13-7-0 mark, and always helped the warriors in the lighter weights. Others which will prove to help our season next year are sophomores: Paul Guglietti, Jim Doman; Junior: Jim Strojan, and Freshmen: Mark Villeco and Tim Martus.

Straight Basketball

The 1977-78 Warriors started off the season losing to Highland High. Things had to get better. The Warriors end the half way mark with a 6-8 win-loss record. Knowing the situation they were in, the Warriors bounced back by going undefeated the rest of the season. They ended the regular season with a record of 15-9, and beat Audubon in the opening round of the State Tournament. Leading the way to victory were All-South Jersey Performer Tony Ellison (30 p.p.g.) and co-captain Mark Lonabaugh. Also accompanying these players as starters were senior Mike Zuchowski, and sophomores Ray Plummer and Ed Ellison. Tennis Set To Rebuild

The CCVTS tennis team can be proud of one thing during the 1977 season. With a 0-13 season, Coach Charles Osborne could experiment with his players. An example of this is J. Hennessy. Joe started at 2nd doubles and moved to 1st singles during the course of the season. In all, Mr. Osborne used 17 players at various positions during the campaign. The tennis team is looking for a few wins this year so, Lookout! Seniors: A. Mahoney, D. Swartz, D. English, M. Pergola

Although the girls softball team did not win many games this year, they did beat the Pennsauken campus 12-11. This traditional game made the season for these inexperienced girls. Inexperience on the Varsity level, accounted for the many losses. Through this season, the team was led by J. Cross, N. Savio, D. Tomassone, and Diane Casey. But all of the girls played outstanding throughout the season, and showed the sportsmanship it takes to try to keep coming back. The outlook for next year is very bright.

You can go a long way in a few short years.

After high school graduation, the Army has hundreds of different jobs you could apply for. Jobs that could start a career like mechanic, power generation or military police.

Once you finish training, start moving. Climb the ranks as you work in Europe, or almost anywhere in the U.S.A.

You can also get a start on college. Through inservice educational opportunities. With the Army paying up to 75% of your tuition.

To see if you qualify, call today. We can reserve a spot in some training classes up to a year in advance.
